Page/Contents. Imprint Page/Contents ... Errant Furniture and Architectural Magic ... Surrealism, with its
multiple readings of the city, its collage semiotics, its extruded forms and artificial landscapes, is an ideal source
for contemporary architectural inspiration. Contemporary architects operate in a creative environment that is
both real and digital; mixed, augmented and hybridised. This world consists of ecstasies, fears, fetishisms and
phantoms, processes and spatiality that can best be described as Surrealist. Though too long dormant,
Surrealism has been a significant cultural force in modern architecture.
